Tasting notes

With a lively fragrance and crisp palate, citrus flavours and hints of fresh herbs lead to a zesty, mouth-watering finish. Ideal on its own or with seafood, Asian flavours and anything fresh, zingy or bold, this is a very food-friendly wine.

Vintage 2023

The 2023 growing season was a challenging one, dominated by La Niña conditions that brought more overcast weather with regular rainfalls. It certainly kept the vineyard team on their toes. However, the rains stopped in January just in time for critical ripening period and thankfully the early autumn weather was kind - allowing us to get the grapes harvested in excellent condition.

We had a great range of flavours across our Sauvignon Blanc ferments and blending was a pleasure.
